OREGON GLADIOLUS

FOR PLANTING TIME 1947

READ THIS BEFORE ORDERING

We exercise the greatest care to see that only first quality stock is shipped out; but we cannot guarantee the growth or productiveness due to the varying climatic and soil conditions throughout the United States.

All our 27 acres of Glads are hand planted, hand dug, hand cleaned and counted. It costs more to grow them this way but the finished product will speak for itself. They are not mutilated or bruised by machinery. This is your insurance of quality.

TERMS

Net cash before shipment; 25 per cent deposit will hold orders until shipment. Orders not fully paid will be sent C. O. D. for the balance, at the time for shipment to your locality.

THRIP

The bulbs are guaranteed free from thrip, as we treat our bulbs in storage. We advise everyone to treat their bulbs with Lysol. Directions will be packed with your order if requested. Complete instructions on growing glads sent free upon request with your order.

ORDER CHANGES

It sometimes happens that we are out of the size you order, but have other sizes in the same variety. Please state if you wish us to send another size or variety if out of what you order. You will always receive liberal value for any change.

SHIPMENT

A service charge of 35 cents will be made on orders of less than \$3.00.

Orders for \$15.00 or more can be sent at any time in the U. S. A. by express and those held for spring delivery will be shipped as weather permits. Local and Pacific Coast orders can be sent at any time.

We advise Railway Express shipment as congested conditions cause long delays if sent via freight. Auto Freight has proven very good for Pacific Coast orders of 200 lbs. or more.

All stock offered and orders accepted F. O. B. Portland, Oregon, subject to prior sale and causes beyond our control.

WHOLESALE PRICES

Write in for special quotations (on orders of 5,000 or more) and we will quote promptly, providing we have the stock available. For lots up to 2,000 of each size use this list. 10% discount is allowed on lots of 250 or more, one size, one variety.
